KRSH SOLUTIONS

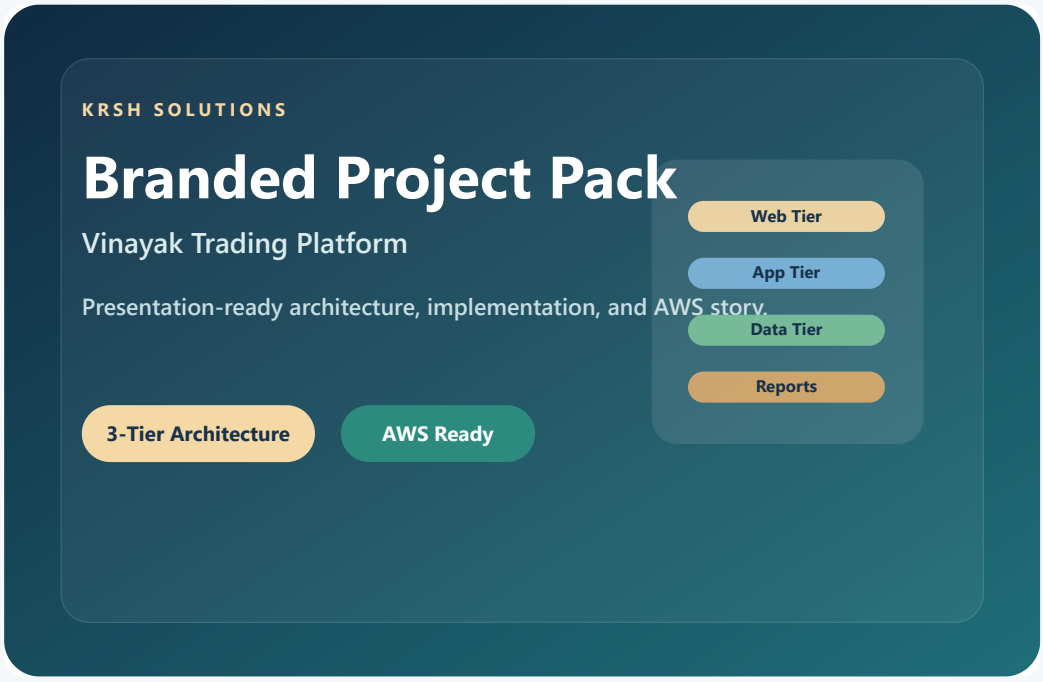
# Vinayak Document Index

Single landing page for the Vinayak architecture, implementation, branding, executive, and portfolio document set. Use this as the master index to open every asset from one place.

Architecture | Implementation | Branding | Executive Deck | Portfolio | AWS

## Quick Previews

Visual shortcuts for the main presentation-ready documents.



### Branded Project Pack

Best for polished sharing with project stakeholders and clients.

HTML PDF

### Executive Dark Deck

Best for leadership reviews, architecture discussions, and demos.

HTML PDF

Portfolio preview

### Resume Portfolio Sheet

Best for interviews, portfolio links, and one-page summaries.

HTML PDF

## Standard 3-Tier Set

Base architecture and implementation documents modeled after the Roboshop-style structure.

### Architecture

- 3-tier architecture image
- Main markdown documentation
- HTML preview
- PDF version

### Implementation Docs

- 01 Web Tier | HTML | PDF
- 02 App Tier | HTML | PDF
- 03 Data Tier | HTML | PDF
- 04 Implementation Flow | HTML | PDF

## Branded KRSH Set

Presentation-ready versions with KRSH and Vinayak visual styling.

### Branded Architecture

- KRSH branded architecture image
- Branded summary HTML
- Branded summary PDF

### Branded Project Pack

- Project pack HTML
- Project pack PDF

## Presentation Variants

Alternative visual packages for logos, executive discussion, and portfolio use.

### Logo Pack

- Logo banner
- Logo pack HTML
- Logo pack PDF

### Combined Pack

- 3-tier project pack HTML
- 3-tier project pack PDF

# AWS Support Docs

Earlier AWS deployment and interview assets already created for the Vinayak migration.

## AWS Planning

- Terraform steps PDF
- CloudFormation steps PDF
- GitHub Actions steps PDF

## AWS Presentation Docs

- AWS architecture PDF
- Deployment roadmap PDF
- Interview Q and A PDF
- Master guide PDF

Recommended entry point: open the branded project pack for presentation, the executive deck for leadership review, and the one-page portfolio sheet for resume or interview use.
